STUDENT'S TESTIMONIAL

VB.NET Programming

"Trainer was patient and her knowledge is remarkable. The way she assists and teaches is structured and easy to follow for people who don't have IT background."

William Low
Temasek International

C#.Net Programming

"C#.Net Training from G-TEC gives me the full picture of this programming in short period. Both theory and practical works are well learned though I need more practical practice."

Leica Instruments (S) Pte Ltd, R & D.

Java/Java EE Programming

"The Java/J2ee course material was well presented and very helpful for my work. I really got a great amount out of it. The one to one training was excellent. It met all my expectations. I can even try my hand at getting a SCJP cert now. Thanks to GTEC! "

Sylvia Lawrence | IBM
IT Professional

C++ Programming

What I appreciate the most is the trainer's ability to teach a topic that is so comprehensive. She is open to questions and very patient to assist those who are struggling. Definitely would recommend.
